

COMPONENT	DEFINITION				
<b>CLN</b>	Clinical		Clinical (CLN)		
<b>DIS or RSD</b>	A small group that meets to discuss topics introduced in a related lecture to supplement the instruction and allow for discussion.	Discussion (DIS)	Recitation/ Seminar/ Discussion (RSD)		Recitation/ Seminar/ Discussion (RSD)
<b>EXM</b>	Graduate student enrollment required to complete the final comprehensive examination.	Exam only (EXM)			
<b>FLD</b>	Off-campus, hands-on instruction directed by a faculty member with one or more students. Typically part of science and social science, as well as some humanities, instruction.	Field Study (FLD)	Field Study (FLD)		Field Study (FLD)
<b>IND or IST</b>	One-on-one instruction allowing for greater individualized learning and self-direction. Individual study may be directed studies that are based upon an agreed upon topic between instructor and student. Titles may include but are not limited to research, problems and readings. (This does not inherently change all CDIS courses as that may only be a delivery method.)	Individual Study (IST)	Independent Study (IND)	Independent Study (IND)	Independent Study (IND)
<b>INT</b>	Internet				Internet (INT)
<b>IXT</b>	Provides opportunity for students to gain experience in their field outside the classroom. Instruction is hands-on, experiential learning that may require additional research and written assignments. Titles may include, but are not limited to preceptorships, clinical, practicums.	Internship/ Externship (IXT)	Internship/ Externship (IXT)		
<b>LAB</b>	A class or the “practice” portion of a course in which experimentation, class projects or other exercises or skills. Conjunction with material presented, are performed.	Laboratory (LAB)	Laboratory (LAB)	Laboratory (LAB)	Laboratory (LAB)
<b>LEC or LST</b>	Faculty delivered instruction to multiple students often in, but not always, a classroom setting. A lecture or standard class is the primary portion of course that is often delivered face to face, but does not have to be. It may be presented on-line or via other delivery methods. While it is usually presented in a small or large group setting led by a faculty member the course might also be very interactive and include group activities. It may be offered in a traditional lecture format, a seminar format, sections with group interaction, etc. Note: A course typically taught as a “lecture” class should always be labeled as a “lecture component.” The Instructional mode may vary (i.e., internet, in-person, and correspondence.)	Lecture/ standard (LST)	Lecture (LEC)	Lecture (LEC)	Lecture (LEC)
<b>LES</b>	Typically a musical or other performance art instruction delivered one-on-one or in small group.	Lesson (LES)	Individual Lessons (LES)		
<b>PRA</b>	Practicum		Practicum (PRA)		
<b>STU</b>	Hands-on, interactive, project-oriented instruction that is delivered one-on-one or in small group. May apply to art, architectural studies, textile and apparel management, broadcast media, film creation, and communication instruction.	Studio (STU)	Studio (STU)		Studio (STU)
